## SPA TREATMENTS FOR KIDS

### Rainbow manicure / pedicure

120 PLN  
up to 30 min

A gentle hand or foot massage with a fruity balm and a manicure with rainbow nail polish will make every girl feel like a real princess.

### Fruity dizziness

160 PLN  
up to 20 min

A gentle back massage with aromatic fruit butter will take your child on an extraordinary journey of the senses and the fruity scents will brighten even the gloomiest day. After the massage, a freshly squeezed delicious fruit juice will provide your child with vitamins and energy.

### Sweet treatment for little gourmand

160 PLN  
up to 20 min

A real treat for every kid with a sweet tooth. A gentle back massage with real chocolate will give your child an unforgettable experience, and a sweet surprise after the massage will take your child to a dreamland.

The above-mentioned treatments are dedicated to kids aged 6 – 15 years; a parent/guardian must sign permission for all treatments. The consent form must be signed at the spa reception prior to the treatment. The parent/guardian may accompany the child during the procedure.
